Lender: OLD NATIONAL BANK

788 N JEFFERSON ST STE 900

(800) 731-2265

Principal Amount: \$318,750.00

Date of Note: September 23, 2022

PROMISE TO PAY. KTIPIO REAL ESTATE LLC ("Borrower") promises to pay to OLD NATIONAL BANK ("Lender"), or order, in lawful money of the United States of America, the principal amount of Three Hundred Eighteen Thousand Seven Hundred Fifty & 00/100 Dollars (\$318,750.00), together with interest on the unpaid principal balance from September 23, 2022, calculated as described in the "INTEREST CALCULATION METHOD" paragraph using an interest rate of 5.950%, until paid in full. The interest rate may change under the terms and conditions of the "INTEREST AFTER DEFAULT" section.

PAYMENT. Borrower will pay this loan in 59 regular payments of \$2,290.27 each and one irregular last payment estimated at \$273,059.10. Borrower's first payment is due October 23, 2022, and all subsequent payments are due on the same day of each month after that. Borrower's final payment will be due on September 23, 2027, and will be for all principal and all accrued interest not yet paid. Payments include principal and interest. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; then to any escrow or reserve account payments as required under any mortgage, deed of trust, or other security instrument or security agreement securing this Note; then to any late charges; and then to any unpaid collection costs. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method. This calculation method results in a higher effective interest rate than the numeric interest rate stated in this Note.

PREPAYMENT PENALTY; MINIMUM FINANCE CHARGE. In any event, even upon full prepayment of this Note, Borrower understands that Lender is entitled to a minimum finance charge of \$95.00. Upon prepayment of this Note, Lender is entitled to the following prepayment penalty: other than with respect to a "Permitted Prepayment" described below, for any prepayment of principal on this Note, whether voluntary or involuntary and for whatever reason, the Lender may assess and collect, and the Borrower agrees to pay, a prepayment premium equal to a percentage of the principal amount prepaid, in accordance with the following schedule: (1) 5.0% if prepaid in Loan Year 1, (2) 4.0% if prepaid in Loan Year 2, (3) 3.0% if prepaid in Loan Year 3, (4) 2.0% if prepaid in Loan Year 4, and (5) 1.0% if prepaid in Loan Year 5 or thereafter. "Loan Year" means successive annual periods commencing initially on the date of this Note and ending on the due date of each scheduled twelfth monthly payment thereafter. Unless otherwise agreed to by the Lender, all prepayments will require not less than ten (10) days advance notice to the Lender. Borrower additionally agrees that any payoff balance with respect to this Note prior to its scheduled maturity, other than a payoff balance quoted in connection with a Permitted Prepayment, will include a premium of the outstanding principal balance of this Note outstanding at such time in accordance with the schedule above. Borrower recognizes that any prepayment of this Note prior to its scheduled maturity, whether voluntary or involuntary or resulting from a default by Borrower, other than a Permitted Prepayment, will result in Lender incurring loss, including reinvestment loss, additional expense, and impairment of the Lender's ability to meet commitments to third parties. Borrower agrees that the premium set forth above is a reasonable estimate of the damages Lender will incur as a result of any prepayment, and that Borrower's agreement to pay such a premium is an essential inducement to Lender to make the loan evidenced by this Note. Notwithstanding the foregoing, no prepayment premium will be due with respect to the following described prepayments (each a "Permitted Prepayment"): (1) Full or partial prepayments made from the application of any insurance proceeds as a result of any casualty loss to collateral securing this Note; (2) Prior to a default, payment in full resulting from the sale of any collateral to a third party not related to or affiliated with the Borrower; (3) Any other prepayment as to which the Lender has agreed in writing that it will not assess a prepayment premium; or (4) Partial prepayments made during any Loan Year of up to 20.0% of the outstanding principal balance as of the beginning of any Loan Year. If the Borrower's prepayment exceeds the 20.0% limitation in any Loan Year, then the entire amount of the prepayment during such Loan Year will not be treated as a Permitted Prepayment and a prepayment premium will be due with respect to all principal prepaid during such Loan Year. Other than Borrower's obligation to pay any minimum finance charge and prepayment penalty, Borrower may pay all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Borrower's making fewer payments. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: Old National Bank, PO Box 3728 Evansville, IN 47736-3728.

LATE CHARGE. If a payment is not made on or before the 10th day after its due date, Borrower will be charged **5.000% of the regularly scheduled payment.**

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Note shall be increased by 3.000 percentage points. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's ability to repay this Note or perform Borrower's obligations under this Note or any of the related documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Death or Insolvency. The dissolution of Borrower (regardless of whether election to continue is made), any member withdraws from Borrower, or any other termination of Borrower's existence as a going business or the death of any member, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate

reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

Cure Provisions. If any default, other than a default in payment, is curable and if Borrower has not been given a notice of a breach of the same provision of this Note within the preceding twelve (12) months, it may be cured if Borrower, after Lender sends written notice to Borrower demanding cure of such default: (1) cures the default within fifteen (15) days; or (2) if the cure requires more than fifteen (15) days, immediately initiates steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount.

ATTORNEYS' FEES; EXPENSES. Lender may hire or pay someone else to help collect this Note if Borrower does not pay. Borrower will pay Lender that amount. This includes, subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees, expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. If not prohibited by applicable law, Borrower also will pay any court costs, in addition to all other sums provided by law.

JURY WAIVER. Lender and Borrower hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Wisconsin without regard to its conflicts of law provisions. This Note has been accepted by Lender in the State of Wisconsin.

CHOICE OF VENUE. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of MILWAUKEE County, State of Wisconsin.

DISHONORED ITEM FEE. Borrower will pay a fee to Lender of \$20.00 if Borrower makes a payment on Borrower's loan and the check or preauthorized charge with which Borrower pays is later dishonored.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the indebtedness against any and all such accounts, and, at Lender's option, to administratively freeze all such accounts to allow Lender to protect Lender's charge and setoff rights provided in this paragraph.

COLLATERAL. Borrower acknowledges this Note is secured by the collateral under any and all existing and subsequent security documents, including mortgages, security agreements and collateral assignments by any Borrower or Guarantor.

COLLATERAL INSPECTION/APPRaisal COST REIMBURSEMENT. Upon such frequency as Lender may determine and whether or not Borrower is in default, Lender shall be entitled to perform and Borrower shall cooperate with examinations, inspections, audits and appraisals as provided herein. Upon advance notice by Lender to Borrower, Borrower shall permit access to its books and records by Lender and by Lender's designated representatives and agents for purposes of inspection, copying and/or auditing. Lender and Lender's designated representatives and agents shall also have the right upon advance notice to examine, inspect and/or appraise any collateral for this Note wherever located. Subject to any limitations under applicable law, Borrower shall reimburse Lender for any professional fees or other expenses incurred by Lender in connection with any examinations, inspections or audits of the books and records of Borrower and/or any examinations, inspections and/or appraisals of such collateral.

FINANCIAL RECORDS. In absence of a more specific agreement, requirement or covenant with regard to the preparation and delivery of financial statements and additional information which may be contained in a Business Loan Agreement between Borrower and Lender, Borrower agrees to furnish Lender with, as soon as available, but in no event later than ninety (90) days after the end of each fiscal year of Borrower, Borrower's balance sheet and income statement for the year ended. Borrower further agrees to furnish Lender with, as soon as available, but in no event later than thirty (30) days after direction to do so from Lender, current interim financial statements, lists of assets and liabilities, agings of receivables and payables, inventory schedules, budgets, forecasts, tax returns, and other reports with respect to Borrower's financial condition and business operations. All financial reports required to be provided by Borrower shall be prepared in accordance with generally accepted accounting principles, applied on a consistent basis, and certified by an authorized officer of Borrower as being true and correct. Borrower also agrees to cause all guarantors of this Note to furnish financial statements and federal income tax returns within thirty (30) days after direction to do so by the Lender. If the required financial statements or financial information required by this Note or any Business Loan Agreement between Borrower and Lender is not delivered to Lender within fifteen days after the date required to do so, in addition to its other rights and remedies hereunder, Lender shall be entitled to increase Borrower's interest rate on this Note 3.00 percentage points above the interest rate which would otherwise apply until such time as all of the required financial information is provided to the Lender.

CAPITALIZATION OF LATE CHARGES. Borrower understands and agrees that any late charges imposed under this Note may be added by Lender to the principal amount due under this loan and shall bear interest at the rate then applicable under the terms of this Note.

SUCCESSOR INTERESTS. The terms of this Note shall be binding upon Borrower, and upon Borrower's heirs, personal representatives, successors and assigns, and shall inure to the benefit of Lender and its successors and assigns.

The holder of the Note or Agreement (as identified in Lender's document management system) may assign and transfer the Note or Agreement to a new holder in accordance with the transferable record provisions of applicable law.

GENERAL PROVISIONS. This Note benefits Lender and its successors and assigns, and binds Borrower and Borrower's heirs, successors, assigns, and representatives. If any part of this Note cannot be enforced, this fact will not affect the rest of the Note. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor or collateral; or impair, fail to realize upon or perfect Lender's security interest in the collateral; and take any other action deemed necessary by Lender without the consent of or notice to anyone.
